Billing and Payment System
This document will give an overview of the new Billing and Payment System used to enter Family Fee Information. This information can be found at: http://bnp.health.utah.gov.

Family Enters Child ID and Family Fee Pin
The parent and/or guardian of a child will begin by registering/enrolling their child in the Billing and Payment System, as shown in Figure 1. The parent and/or guardian will be prompted to enter the “Child ID,” a “Family Fee Pin,” and “Child Birth Date.” To the right, it will give instructions that if you do not have a Child ID or Family Fee Pin to contact your Early Intervention (EI) program.
